

Senior Design Bi-Weekly Status Report; Fall 2020

Team Name: sdmay21-34

Team Members: Colin Willenborg, Erich Brandt, Tavion Yrjo, Christian Baer, Colin Thurston, Elizabeth Strzelczyk

Report Period: October 19th - October 25th

Summary of Progress in this Period

This period we worked on completing sections 3 & 4 in our design document. They have been written and completed. We also met with our faculty member to review design document V2 and lighting talk. During this meeting we discussed as a team the technical challenges that have been affecting our project. We completed the technical challenges lightning talk. We also met to decide which day we would like to give our presentation during dead-week.

Pending Issues

NA

Plans for Upcoming Reporting Period

Meet with faculty and team to continue design of our project.

Start work on design doc version 3.

Start on the team website.

Flush out more of the design for the frontend applications.
